

Introducing...
THE MYOGUIDE™ LOANER PROGRAM
offered by Allergan, Inc.

Try using an EMG/ESTIM system in your practice for **FREE!**

Practice muscle localization for injections using the *Myoguide*™ Injection Guidance System

PROGRAM OVERVIEW

Allergan offers this EMG/ESTIM loaner program to customers as part of its commitment to injection training and support. Physicians have an opportunity to demo the *Myoguide*™ system in their clinic to practice muscle localization for injections. Systems are available for a **30-day free trial**.

**ENHANCE YOUR MUSCLE
LOCALIZATION TECHNIQUE BY
TAKING ADVANTAGE OF THE
MYOGUIDE™ LOANER PROGRAM.**

BENEFITS TO PARTICIPATING IN THE LOANER PROGRAM

- Practice using EMG/ESTIM for muscle selection and injection in your own clinic
- Try using an EMG/ESTIM unit for 30 days with no charge
- Ability to purchase a *Myoguide*™ system at a discount

Enhance your muscle localization technique by taking advantage of the **MYOGUIDE™ LOANER PROGRAM**

ABOUT THE MYOGUIDE™ SYSTEM

This portable, handheld EMG/ESTim system is designed to:

- Help identify individual muscles contributing to the patient's condition
- Allow for better muscle identification in absence of active movement
- Facilitates better injection site selection for greater accuracy and treatment delivery

Please Note: *Myoguide™* Kit does not include electrodes or needles. Interested parties of the loaner program are to contact their Allergan Representative if they are in need of these supplemental parts. Your Representative will ensure a sample 4-pack of needles and surface electrodes (upon request) are included in your kit.

START A FREE TRIAL TODAY

1. Your Allergan Representative can tell you when a unit can be delivered to your office. Prior to receiving the device, you are required to sign a lease agreement for the 30-day trial period with Allergan.
2. An Allergan Representative will supply your office with a *Myoguide™* system to use for 30 days along with a 4-pack of EMG needles and surface electrodes (upon request). You will also receive a detailed letter with direction from the manufacturer explaining where to obtain training and troubleshooting information your device.
3. At the end of the lease period, the *Myoguide™* system should be returned to MedForce via the pre-paid FedEx Label which will be included in the delivery packaging.
4. After participating in the loaner program, you will have the chance to purchase your own, new *Myoguide™* system at a special discount offered by the manufacturer. For more information, visit <http://www.intronixtech.com/myoguide-training/> or contact Intronixtech at 1-800-819-9996.
